All sessions must have a signed portrait agreement and contract on file. Payment for session is due in full at the time of booking unless a payment plan has been agreed upon with client. All sales are subject to 8.25% sales tax. I accept cash, checks, and PayPal payments. Print and digital orders typically take 2-3 weeks to process. Albums and coffee table books take longer because of design time and assembly of album. Please contact me for an estimate of how long your album will take. All orders will be shipped to client via USPS Priority Mail unless a different arrangement has been worked out with client ahead of time. Due to the custom nature of my work all sales are final.
